

## PRESIDENT'S REPORT

*Merry Christmas to everyone*

Let the celebrating begin.

Yes – it is the Season where lots of silly things happen – enjoy.

We held our Christmas Dance on Saturday – thank you to everyone that attended – we really hope that you enjoyed yourselves!

And ... who saw Santa – yes, he was there – making his rounds – he didn't stay long as he had to go back to the North Pole.

Thank you to my committee who have been there by my side the whole year providing such lovely suppers for everyone. On that note – thank you to everyone who brings along something to supplement that supper – it really is appreciated.

Thank you to new friends – and old friends – who came along to enjoy the dancing and the music – we hope to see you again at our next dance.

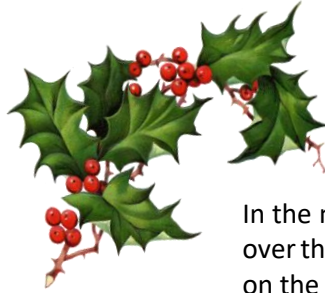

And yes – the music from Foxtail Rumble – what a fantastic band. They were joined in a guest appearance from Greg Vine – thanks Greg – we enjoy seeing you on the stage with the boys.

Our last Club Night for the year is on the 10<sup>th</sup> of December. This will be a free Club Night – starting at 7pm – and please, bring a plate for a shared supper. I look forward to seeing you all there.

Then we have a wee bit of a break. Our first Club Night and Beginners Lessons start back on Tuesday the 4<sup>th</sup> of February

Small change of tack here – are you thinking of attending Senior Nationals 2025 – hosted by Tauranga – to be held in Rotorua? We are currently booking accommodation, so please let the secretary know so that we book enough rooms.

And – think about the Club Appreciation Award for the Birthday Hop – who would you like to see this be awarded to?

In the meantime, I hope you manage to get out dancing over the Festive Season – and please – stay safe out there on the roads.

Enjoy your family and friends – see you in the New Year

*Merry Christmas - Nadolig Llawen - Meri Kirihimete*

## COMMITTEE CORNER

We appreciate that Paul will remain on Committee and continue to support the club.

### ACCOMMODATION FOR SENIOR NATIONALS 2025 (Labour Weekend) 24-27 October

Tauranga Rock'n'Roll Club will be hosting the 2025 Senior Nationals at the Energy Events Centre in **ROTORUA.**

The club is already looking to book accommodation for this event so that we can get everyone located in the same place. So that a tentative booking can be made, please advise [secretary@cityofsails.org.nz](mailto:secretary@cityofsails.org.nz) if you think you will need accommodation.

The more the merrier. Let's get a large number of people attending to make this a great weekend – whether attending to watch OR hopefully to compete.
