

PRESIDENT'S REPORT

Merry Christmas one and all.

What a great Christmas Hop. I hope you enjoyed it, if in attendance. Thank you to Karl for creating the hologram show he placed each side of the stage. They were awesome. Thank you also to the Top Team who performed their routine from the national competition at the intermission. Fantastic for those folks who did not go to Nationals.

I wish everyone a very Merry Christmas and Happy New Year. I trust you enjoy some holidays should you be having a break from a busy year at work.

Our second Junior Sunday was a great success with young 'old' faces in attendance with their very little ones, along with some of the usual children. There is another on 7 December. We hope to see some of your children/grandchildren and their friends. Please see the advertisement. We will have a Christmas theme with a prize for best dressed, along with a sausage sizzle.

First club night back next year is Tuesday 10 February. Don't forget to bring your water bottle as it will be very hot. Let your friends know that we will start the year with Beginner Lessons on 17 February should they be interested.

Our Birthday Hop is on Saturday 28 February. Theme – Blue and White.

The City of Sails committee is keen to host Stars in your Eyes (lip-synch) once again. It was well supported in the past and we would like to bring that sense of fun back for one night a year. We are looking at June 2026 at this stage so it's time to think of an act to enter into Stars. Should we have enough acts (minimum of 10), and if the school gives us approval to use their lighting, along with a few other factors, we should be able to host this. Things are looking positive.

So, please start thinking of one now. Don't let others know what it will be as there is the element of surprise. Please pass your act by us for approval. president@cityofsails.org.nz
