

PRESIDENT'S REPORT

WOW. What a night.

My thanks must go to Paul Burgess for encouraging Greg and Kaylie Vine to run a "Stars in Your Eyes" event for us. It was wonderful to see so many get on board and perform for us. Thank you to everyone that did take up the banner and put on an act

All of them were stunning – so much participation – so many stand out performers – totally enjoyed the City of Sails Juniors for their rendition of the Twist.

We started the night with Kermit The Frog and his rendition of The Rainbow Connection – well done Helen. We moved on through the night and were entertained by The Beach Boys, The Beatles, The B52's, The Village People, David Bowie and Mick Jagger, The Rocky Horror Show with The Time Warp - and – the Grand Finale – Greg and Kaylie performing their Love Story rendition of "I shit my pants". (Photos on page 3.)

Many thanks to those behind the scenes – Kaylie for the music – Shaun for the lights – Karl for the Back Drops – and Linda for the underground MC – and of course Greg for organising behind the scenes to make sure that everything ran smoothly

Thank you to all of those clubs that attended – Franklin Rockers – Hibiscus Coast – Auckland Rock n Roll Club – Teddy Bears Gig Guide - Harbour City – and – of course – City of Sails – including a good showing from the Juniors – plus a fantastic welcome to those past and Life Time members that came along as well – it was great to see you all.

Not a lot else I can say about the night – everyone seemed to be enjoying themselves – it is great to see

Moving on with the new month – watch the calendar for any new events that are happening – look for flyers for the next dance in July with the Runaway Boys and – in August – we have our Allcomers Competition. I am looking forward to seeing all of those Juniors on the Dance floor, oh, and all of the adults as well

Bring on the second half of the year.

We Got This.

Your President
Leeyan Stephens
